

Cost Accountant

CORSA Performance Exhausts, a TMG Performance Products company headquartered in Berea, Ohio, is a leading manufacturer of premium performance exhaust systems for cars, trucks, SUVs and marine applications. Through its patented Reflective Sound Cancellation (RSC™) technology, CORSA Performance Exhausts provides the industry's only guaranteed drone-free driving experience backed by premium performance and superior customer service.

We are searching for a Cost Accountant to develop, implement and manage cost accounting system.

Key Responsibilities:

- Coordinate cost accounting activities with sales, engineering, and manufacturing.
- Accurately value on hand inventory per GAAP and reconcile monthly inventory to the general ledger.
- Monitor physical inventories.
- Collaborate with engineering in the calculation of new product cost.
- Responsible for calculating material standard costs, labor rates and reviewing overhead costs.
- Responsible for monitoring physical inventories.
- Analyze changes in product design, raw materials, manufacturing methods, to determine effects on cost.
- Analyze variances between actual and standard costs.
- Track fixed assets and handle other accounting duties assigned.

Skills and Experience:

- Four year degree in Business, Accounting or related field
- 2-5 years experience in manufacturing cost accounting
- Strong cost system background with excellent analytical skills; sound understanding of accounting principles
- Knowledge of integrated manufacturing systems & MRP/ERP
- Excellent computer skills, especially Excel
- Experience working with sales, engineering and manufacturing on development and analysis of standard costs
- Sound written and verbal communication skills required to effectively perform responsibilities.
- Familiarity with Sage Pro a plus.
- Certified Management Accountant (CMA) license preferable.

Benefits Include:

Medical, Dental, Short and Long Term Disability, Prescription, Life, 401K Retirement Plan with Company Match, Paid Holidays, Vacation, and an energetic and engaging work environment.
