CORSA® PERFORMANCE ANNOUNCES STRATEGIC PARTNERSHIP WITH NATIONAL CORVETTE MUSEUM STORE

BEREA, Ohio – CORSA® Performance has entered into a strategic partnership with The National Corvette Museum to offer CORSA's popular performance products in The National Corvette Museum's Corvette Store. The Museum offers CORSA performance exhaust systems, air intake kits for C4, C5 and C6 Corvettes.

The National Corvette Museum, located in Bowling Green, Ky., is a popular destination for Corvette enthusiasts, and CORSA is well-known for its high-quality Corvette products. CORSA product displays will be featured in several locations on the facility's grounds, including in the Museum's Corvette store.

"We're honored that The National Corvette Museum is now an authorized CORSA dealer, and that CORSA's partnership will contribute to supporting this historic venue that is not only significant to Corvette owners, but also to the automotive industry as a whole, "said Craig R. Kohrs, vice president and general manager, TMG Performance Products.

To kick off the partnership, CORSA exhaust systems can be purchased at the Museum and installed on-site by CORSA technicians in the CORSA Performance booth during the National Corvette Museum's 2014 Bash, April 24 – 26.

Crafted in the USA and protected by a Limited Lifetime Warranty, CORSA exhaust systems for Corvettes feature patented Reflective Sound Cancellation® (RSC®) technology, which delivers a distinct high-performance rumble at idle an aggressive exhaust note under acceleration and no drone during cruise. CORSA Corvette exhaust

systems are available in Sport and Xtreme sound levels, multiple tip sizes, colors and exit configurations. Visit http://store.corvettemuseum.com to see the various configurations.

Museum members receive a ten percent to fifteen percent discount, depending on their membership level, on all retail merchandise, including CORSA products.
